To: Pablo Sarobe <pablo.sarobe@openbravo.com>

The screenshot shows the Openbravo Business Partner profile form. The form is titled "Profile" and "Change Password". It contains several fields for user information:

- Role:** F&B España, S.A. - Sales - F&B Inter
- Client:** F&B International Group
- Organization:** F&B España - Región Norte
- Warehouse:** España Región Norte
- Language:** English (USA)
- ☐ Set as default

Below the form, there are buttons for "Apply" and "Cancel". The background shows a table of Business Partner data with columns for Tax ID and Business Partner Category.

Tax ID	Business Partner Category
X61827	Acreedor
K01927	Cliente - Tier 1
G92765	Cliente - Tier 2
L51927	Cliente - Tier 3
454172	Empleado
625163	Empleado

The screenshot shows the Openbravo Business Partner profile form with an error message displayed. The error message is titled "Response" and contains the following text:

Error: AccessTableNoView
With your current role and settings, you cannot view this information

Below the error message is a "Back" button. The background shows the same Business Partner profile form as in the previous screenshot.
